Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Thursday 22 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine, dry, and sunny.

Today:
A bright and crisp start. With fine and settled conditions lasting all day it will soon feel warm under the strong, spring sun. Remaining dry. Maximum temperature 15 deg C (59 deg F).

Tonight:
A fine end to the day, but quickly turning chilly. Remaining settled and clear throughout the night, bringing risk of another frost, but less prevalent than Wednesday night. Minimum temperature -1 deg C (30 deg F).

Friday:
Another crisp morning turning into a fine and warm, sunny day. Remaining bright and dry but sunshine turning hazy from the west into the afternoon. Staying dry overnight. Maximum temperature 18 deg C (64 deg F).

Outlook for Saturday to Monday:
Dry with sunny or bright spells Saturday, becoming cloudier Sunday with a little rain on Monday. Feeling warm in the daytime, with continued risk of rural frosts overnight.
